Dress Code Guidelines (Ad Building Attire)

- **An SVA school-logoed polo, oxford, or blouse must be worn at all times while in classes, classroom buildings, library, the administration building, and lunch in the cafeteria.** Approved polo colors are: navy, white, evergreen, red, yellow and pink. If a garment is worn under the school-logoed blouse/shirt, then it must follow the above guidelines regarding necklines and the blouse/shirt must be buttoned. Each student must purchase at least one navy polo. *If the sweater vest is worn, a school polo, oxford or blouse must be worn underneath.*
- **Pants/Skirts** – All pants are to be docker style in a solid color--navy, khaki, stone or black. No jeans or “skinny” pants of any color. Clothes must fit properly—no tight, saggy or oversized pants/skirts will be allowed. Plaid skirts must be purchased from SVA's supplier and must be no more than 2” above the knee. Skirts of a solid color, no more than 2” above the knee, must be purchased from our uniform supplier. The skirts must not be form fitting. No leggings of any length are allowed.
Information about SVA's School Attire and how to purchase on-line is available on the school website: www.shenandoahvalleyacademy.org.
- **Consequences:** If a student is not in ad building attire, they will be asked to return to the dormitory (or home if village) to change into proper attire and will receive an unexcused tardy if missing classroom time to change. The student must bring a signed note from the dean upon return to class. If a student fails to return to class, an unexcused absence will be recorded.

CAFETERIA ATTIRE:

Ad building attire is required in the cafeteria during lunch on school days and is always acceptable at other meals throughout the week. At all other times, general dress guidelines apply. No tank tops, undershirts, sleepwear, or half T-shirts are acceptable at any time. We ask students to wear Sabbath clothes to lunch on Sabbath; however, ties are not required for the guys.
